

International Rally

3rd November – 9th November 2023

Newsletter Issue 4

We are having a full week of activities for the international rally this year.

Estimated Costs

The rally is over the week and will cost in the region of \$500 AUD with 6 breakfasts or \$420 AUD without the six breakfasts all subject to CPI and inflationary pressures. Included in the entry will be 4 dinners at the resort, 4 lunches on the rides, entry to museums and a steam train ride to Strathalbyn (depending on the weather, if hot it will be a diesel). There will also be a fairly comprehensive rally pack. After the train ride to Strathalbyn the Steamranger volunteers will be glad to show some of their restoration projects to those interested.

Accommodation Update

Bookings are going well at the Hahndorf Resort and there are 2 cabins still available as at 25/01/2023 with plenty of caravan sites and camping space.

If the Hahndorf Resort is fully booked, there is the Hahndorf Old Mill Motel just 1100 metres from the main entrance to the resort where there are some 22 rooms that will be able to be booked and after talking with the resort they are happy for people to leave bikes on the site so that they are safe and left with other participants.

Hahndorf Resort can be contacted by email hahndorf@discoveryparks.com.au or (+61) 1300 763 836

Loan Bikes

We are looking for loan bikes of any size for overseas visitors as was the case in 2018 in the Grampians, where the Victorians put on a really good rally, and very generous in loaning bikes out. Some overseas visitors have already been able to get loan bikes, but more will be needed.

We have been assured by Shannons Insurance, (the comprehensive insurance provider that most classic owners have in Australia), that if visitors have the correct licence and comply with local regulations, the bike will be covered whilst being ridden by an international rider. It has been requested that overseas riders borrowing bikes should possess an 'International Drivers Licence'. It must also be noted that generally, bikes cannot be hired out, unless they are specifically insured as being for hire or reward.

If you are hoping to borrow a bike, go to our Facebook page 'BSAOCSA International Rally 2023 Bike Loan Group' by clicking [here](#). Introduce yourself, tell us a bit about yourself, and give us the details of the bike you ride at home, and we will endeavor to match you up with a bike here in Australia. Please note, we

will do our best but, obviously this is dependent on the generosity of our members here. These may or may not be BSAs.

More details will be provided on the Facebook page [BSA Owners Club of South Australia Inc - International Rally 2023](#)

Or the International Rally Website [bsa internationalrally 2023](#)

Rally invitations will be out in February and entry forms will be available from March with closing date mid September, to allow us time to order and receive anything we need to have made.

Best wishes to all.

Jim Nixon
