

International Rally Hahndorf South Australia

3rd November – 9th November 2023

Newsletter Issue 6

July 2023

Accommodation Update

The Hahndorf Resort cabins are fully booked, but there are still caravan and camping sites available. Hahndorf Resort can be contacted by email hahndorf@discoveryparks.com.au or (+61) 1300 763 836

The Old Mill Motel is just 1100 metres from the main entrance to the resort where there are some 18 rooms still available to be booked, after talking with the resort they are happy for people who are not staying at the Resort to leave bikes on the resort site so that they are safe and left with other participants.

The phone number for the Old Mill is **08 83887888**. When contacting the Hahndorf Old Mill it must be mentioned that you are with the BSA International Rally, if not mentioned you will be told that there are no rooms available. This accommodation is available to us until the end of August, after which they will be available to anyone.

Rally Entry Forms

Rally entry forms are on the **BSA International Motorcycle Rally 2023** website click on the rally logo and the entry form will come up for you to fill out. If international participants have trouble when trying to make payments, because of the value and being an international payment you may need to contact your bank to let them know that it is a legitimate payment (some have had the card company refuse to honour).

Manual entry forms can be obtained either at the club meetings or email sabsainter@gmail.com to have a copy sent to you.

More details will be provided on the Facebook page [BSA Owners Club of South Australia Inc. International Rally 2023](#)

Or the International Rally Website [BSA Motorcycle International Rally 2023](#)

Entries will be accepted up to the 1st September 2023. We need to order many items and delivery times are approximately 6 to 8 weeks.

There will be a 24 passenger bus which will follow the rally bikes on all rides, there will be an experienced bus driver on all days. If anyone needs to use the bus there will be a list on which names can be put for this bus. The use of the bus is to avoid many cars following the rally. There will also be several cars with trailers in the unlikely event of a breakdown of a bike.

Best wishes to all. Jim Nixon, Rally Coordinator BSAOC of SA
